

## USING THE SONICWALL SECURE MOBILE ACCESS (SMA) PORTAL

The ICT Services team have deployed a new, more secure way of accessing resources. Access is a little different, but it offers all the same features and software. If you have any problems accessing the service, please contact the Helpdesk via [helpdesk@hughbaird.ac.uk](mailto:helpdesk@hughbaird.ac.uk) / 0151 353 4445.

### Requirements

To access the SMA portal you'll need a working internet connection and a web browser, such as Microsoft Edge. Please note; Internet Explorer is not supported. This guide has been produced using a Windows 10 client. Other clients such as Mac OS are supported, but the images presented may look slightly different than those shown below.

### Instructions

To access the SMA Portal follow these simple instructions:

1. Open your chosen browser and navigate to: <https://sma.hughbaird.ac.uk:4434/>
2. You will be presented with the following screen:

### Welcome to the HughBaird Virtual Office

The HughBaird SMA Portal provides easy and secure remote access to your corporate network from anywhere on the Internet.
